Rejoice with us for what God has done! by *Finny Mathews*

Dear friends and partners,

We at AIM are praying that you and your family have the best New Year yet. A year with all its joys and challenges has gone so quickly. However, as you read the Annual Report and highlights of AIM, please know what God has accomplished through your generosity, which has eternal blessings and rewards. On behalf of thousands of people who heard the gospel through our Evangelistic Campaigns and the hundreds of persecuted pastors and children that you have blessed in 2013, we express our heartfelt appreciation to each of you.

Nonetheless, as always, I want to remind you that there are nearly 700 million people in India alone that have not heard the greatest love story of all; that God sent his only Son on the first Christmas day to save them. No doubt God's heart breaks as 40,000 Indians die everyday and a majority

700 million people in India alone have not heard the greatest love story

of them have not heard the name of His Son. Together we can bring joy to the heart of God and to our world by committing ourselves to make Christ known to our world in 2014 and beyond. Luke 2:10-11

More than 7,000 attend and 2,500 make a profession of faith in the first Crusade ever conducted in a Town Square in Western Nepal

In 2013 there were 12,000 professions of faith at the crusades alone! Praise be to God!

Alpha Bible College Campus

God blesses National Pastors for Staying faithful during brutal attacks.
 More land needed to avoid further danger.

With three times the population of USA and roughly one-third the landmass, any land in India near a city or a town is premium. God has blessed us with a beautiful three acre "Alpha Bible College" campus as a symbol of His faithfulness.

Militant Hindus attacked the Pastors.

Pastors attacked by Militant Hindus at AIM Conference in 1998: Before God blessed us with the Bible College Campus, Militant Hindus attacked the rented premises where our pastors were staying during our conference in 1998. They were beaten with sticks, chains and belts. This location was no longer safe. My Mom, Grace went to help the pastors. She was arrested and spent the night at the police station harassed by Hindu policemen who wanted her to recant her faith.

Our Pastors cry out to the Lord with tears: We continued the conference even after the attack. On the final day of the conference

Pastors cried out in song to God

our pastors went on their knees with tears in their eyes and cried out to God in a song, "We ask for India, we call her by name; we present her to the father in Jesus name; we ask not for riches, we ask not for gain; we ask for India in Jesus name." Their tears fell and God answered their prayers by providing the Alpha Bible Campus. A much safer place to learn Gods word.

AIM - Alpha Bible College Campus

Alpha Bible College Campus: This Campus is host to our AIM World Evangelism Conferences and The Alpha Bible College. We have buildings that can accommodate 500 national pastors. Every year we have short-term mission teams from the US conduct Medical Camp and Children's Camp here. Currently, 46 students from India and Nepal are enrolled in a two-year Bible College. In the next

Goal: Most influential Seminary in Asia

two years we plan to expand the Bible College to offer a Bachelor's Degree in Theology. Our goal and prayer is to make this College one of the most influential Seminaries in Asia.

Help us purchase crucial land for Alpha Bible College before the Muslim neighbors do.

New Land Purchase near Muslim Neighborhood: In order to prevent attacks from radical Hindus, our Bible College Campus is located near a Muslim community. In India, Muslims and Christians have an uneasy truce to protect themselves from the majority 83% Hindus. There is a piece of land that shares the boundary with our student dorm.

Muslims and Christians have an uneasy truce

Only a Muslim center and our Bible College Campus have access to this piece of land. It is extremely important that we acquire this land before the Muslims to avoid potential conflicts in the future.

800 pastors, leaders, children and 28 US team members attend 5 day conference, Nov 2013. Bibles, Bicycles and Sewing machines given to Nationals

Cost of the Land: The land is 34,000 square feet, at a cost of \$5 a square foot, taking the total cost to \$170,000. The property prices in India are one of the highest in the world. Our campus property is worth \$30 a square foot. Lack of access is one of the reasons the land is selling cheaper. Our board members have pledged to give \$100,000. We need \$70,000 more. Please help us with a gift of any amount. Thank you for your generosity in providing a safe place of training and retreat for the persecuted church in India and Nepal. With your generosity Alpha Bible College is on it's way to being the most influential seminary in Asia.

Vital land needed for Bible College to protect students from future Muslim conflicts. The need of \$70,000 is essential....please help!

Make a difference Today!

Once again I thank you for your sacrificial generosity in helping us accomplish great things for the glory of God. Please pray for India as we face general elections next year. Polls are favoring a return of the militant Hindu party to power after 8 years. However, AIM is planning the same number of crusades, conferences, children's camp and medical camps. Many of our pastors are asked to vacate their rented places of worship by radical Hindus. Please help us with the best year-end gift that God enables you to send. Our pastors and children pray for America as they know where their blessings come from. May the Lord richly reward you and may 2014 be the best year yet for you and your family.

Your Participation Needed ...Help Fulfill the Great Commission

GCH Children with Blankets

Struggling to stay warm in homes without heat

Although north India and Nepal has warm weather most of the year during the month of December and January the temperatures can fall below 28 degree Fahrenheit. Since most of the homes are made of bricks, mud or plastic tarps without heaters, the cold becomes unbearable. Millions who do not have homes sleep on the sidewalks. The only to keep warm is to cover with sweaters and blankets. The majority of them being poor cannot afford to buy any warm clothes. AIM's goal is to provide 2,000 sweaters and blankets especially for the children and elderly. You can provide a Sweater or Blanket \$10 each or both and Sweater and Blanket for \$20.

Millions sleep on the cold sidewalk

Every penny gives children hope, national pastors renewed faith and the lost an opportunity to hear the greatest love story of all. Your prayerful partnership is the greatest reassurance to the broken, desperate and cold that God is real and hasn't forsaken them. The needs are great, and you can make all the difference!
